

INT. ROOM - DAY

DEE (32), is standing in all of her wedding glory, in a beautiful white wedding gown that makes her look like a princess in a fairy tale.

She's surrounded by her bridesmaids who are tending to her every need. They're laughing at a joke when there's a knock at the door.

DEE
Get out of here Will! I told you,
you'll see the dress when I walk
down the aisle!

COREY (O.C.)
It's Corey.

The smile on Dee's face melts away and is replaced by a look of disbelief. The bridesmaids are frozen from uncertainty.

DEE
(nervous)
Corey?

COREY (O.C.)
Yeah. Remember me?

She rushes to the door.

BRIDESMAID 1
Dee wait.

Dee ignores her and grabs a hold of the doorknob. She pauses a moment before actually turning it and slowly opening the door.

COREY (50), stands in the doorway, dressed in a pair of wrinkled slacks and a short-sleeved white shirt with a black bow tie.

COREY
(nervous)
Hey.

She tries to respond but gets choked up. She clears her throat and tries again.

DEE
Hi daddy.

The sound of the word coming out of her mouth instantly causes her eyes to fill with tears.

COREY

Hey baby. Is this okay? I know
there are rules about...

Before he can finish, she throws her arms around his neck and squeezes with all her might. Now his eyes begin to swell.

BRIDESMAID 1

Dee you're gonna mess...

Bridesmaid 2 abruptly nudges Bridemaid 1 to keep her quiet.

When Dee finally releases Corey she steps aside for him to enter the room and shuts the door behind him.

DEE

How did you...when...

COREY

Your mom tracked me down all the way in Santa Fe and told me about your big day.

DEE

Santa Fe? And you came? All the way to Boston?

COREY

Of course.

DEE

(quietly)
Thank you.

He holds his arms up so she can get a better look at him.

COREY

I'm sorry I couldn't put myself together a little better but...

DEE

You look very handsome.

COREY

(smirking)
Yeah right. But you...I Didn't think it was possible for you to be more beautiful than the image of you I keep in my mind. But here you are.

BRIDESMAID 1

Dee, I'm sorry but it's time.

Dee scowls at Bridesmaid 1.

COREY

It's okay. It's your big day. Don't be late on my account.

DEE

Okay but you're...staying right.

COREY

Wouldn't miss it.

DEE

I wish I knew you were coming I would have you walk me down the aisle. But I already asked Martin.

COREY

Hey, it's okay. Your stepdad deserves it.

She smiles in the absence of the right words to say.

DEE

(tearful)

I love you daddy.

COREY

I love you too Dee Dee. With all my heart.

She hugs him and kisses him on the cheek before the bridesmaids usher her out of the room in a hurry.

Corey stands in the room alone until three menacing men walk in.

SIN

She's beautiful man.

COREY

Ain't she? Hey, you don't think I could just peek in...

Sin moves back his jacket to reveal a gun tucked in his pants.

SIN

Don't push it C. The boss did you this solid because he always liked you. But this is your last stop bro. But don't worry, we won't leave your body here. We ain't monsters.

A tear falls from Corey's eye as he looks towards the chapel.

COREY

Thanks.

FADE OUT.
